

Borderland State Park **SPECIAL EVENT**

259 Massapoag Avenue
North Easton MA 02356
508-238-6566

Astronomy Night

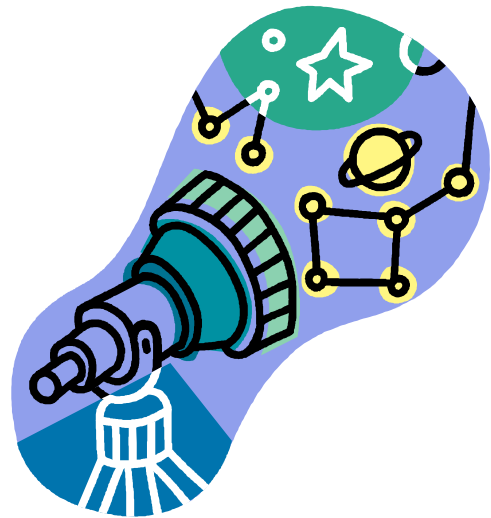

Sunday, November 12

6:30pm - 8:30pm

See the planet Uranus and the Fall Constellations through the lens of a real telescope.

Join us at the Lawrence Newcomb Visitor Center parking lot for an awe-inspiring evening with telescopes and expert astronomers! This event is free of charge and open to all, no pre-registration required.

For viewing conditions, call Ellenor at the Park, 508-238-6566.
Reasonable accommodation upon advance request.
